

# RANSOM

Em | Em | C | C

Em C G D  
Once a slave to sin, chained in darkness without hope

Em C G D  
A prisoner condemned to die in misery, alone

Am Em G D  
Captive to my pride, weak and helpless to break free

Am Em D  
What love is this that dies to rescue me

C G D Am Em  
The Son has come to ransom a people for His glory

C D  
Purchasing our lives

C G D Am Em C D  
Leap for joy all you broken, your rebel deeds atoned for, nailed to the tree

Em C G D  
Majesty and worth, beauty far beyond compare

Em C G D  
I mocked Him to His face, and rejected all His claims on me

Am Em G D  
A debtor to the One, who created every star

Am Em D  
At the cross my Savior paid it all

C G D Am Em C D  
It is finished, it is finished, my hero took my place

C G D Am Em C D  
It is finished, it is finished, grace has won the day
